REMARKS

RETURN TO CIA LIBRARY Mid-July 1949

25X1 1. The SPISSKA NOVA VES (R 49/D 87) airfield was not occupied by a military air unit but was used by the local Aero Club and was guarded by an SNB detail.

25X1 2. The landing field (location see Annex) had a grass cover and was not serviceable in rainy weather. The airfield buildings had been destroyed during the war and were not yet rebuilt.

3. confirmed the location of the airfield and no air unit was stationed there.25X1 Comment:25X1 The information on the location and condition of the air-
25X1 field agrees with previous information. An air unit is
25X1 not assumed to be stationed at the field.25X1 1 Annex: Airfield of SPISSKA NOVA VES, Czechoslovakia.
